NEUROXCHANGE 2018

International Child Neurology Educational Meeting

March 3-5, 2018

Kovalam

Thiruvananthapuram, Kerala

Jointly organized by
International Child Neurology Association
Kerala Association of Neurologists

Dear Colleagues,

On behalf of the Kerala Association of Neurologists (KAN), Pediatric Neuro subsection of IAN and Indian Academy of Pediatrics Kerala, we are pleased to announce an educational meeting under the auspices of the International Child Neurology Association (ICNA), which will take place on 3-5 March 2018 in Thiruvananthapuram, Kerala, India. The meeting will feature eminent international and national faculty.

The conference will be held over two days and will include plenary style lectures, coupled with interactive case sessions and panel discussions. The main topics for the meeting would include epilepsy, neurometabolic disorders, neurorehabilitation, neonatal neurology and CNS infections.

The varied topics will address specific issues and potential solutions in paediatric neurology from different perspectives. A limited number of free papers and peer reviewed posters will also be accepted for the meeting. The scientific programme will provide an opportunity for continuous professional development for all participants and excellent learning experience for students and residents.

Exchange of scientific knowledge and clinical practice through international collaborations is the key to promoting education and fostering research of international significance. The meeting will also serve as an excellent opportunity to prepare for the 15th ICNA Biennial congress (ICNC2018) to be held in Mumbai in November.

The meeting will be held in the city of Thiruvananthapuram, also known as "Trivandrum", the capital and the largest city of the state of Kerala exudes a splendour that arises from its regal history, heritage, culture and royalty go hand in hand in this city that is known for its temples, palaces, museums, galleries and art festivals.

We look forward to see you all in Thiruvananthapuram in March 2018 for this exciting educational event.

Dr Sankar V.H., President IAP Trivandrum

Dr Anju Deepak, Secretary IAP Trivandrum

PROGRAM

DAY 1 - 3RD MARCH, 2018

SESSION 1 - NEUROINFECTIONS

- Lecture 1 9-9.45 Update in the diagnosis and management of CNS infections – **Charles Newton**
- Lecture 2 9.45-10.30 Neuroimaging in CNS infections - A clinician's perspective – **P.A.M. Kunju**
- 10.30-10.45 Coffee**

SESSION 2 - GENETIC / METABOLIC

- Lecture 3 10.45-11.30 Treatable Inborn errors of metabolism : Cerebral Palsy mimics – **Linda De Meirleir**
- Lecture 4 11.30-12.15 Neurocutaneous disorders in children - Update in management – **Vrajesh Udani**
- Lecture 5 12.15-13.00 Peripheral Neuropathies of childhood – **Jo Wilmshurst**
- 13.00-14.00 Lunch**

SESSION 3 - CHILDHOOD EPILEPSY 1

- Lecture 6 14.00-14.45 Management of Childhood epilepsy in resource poor settings – **Jo Wilmshurst**
- Lecture 7 14.45 -15.30 Paediatric seizure semiology and localisation – **Karen Skjei**
- Lecture 7 15.30 -16.15 Co-morbidities of epilepsy - **Charles Newton**
- 16.15-16.30 Coffee**

SESSION 4 - ADVANCES IN NEUROLOGY

- Lecture 9 16.30-17.00 Fatty Acid Oxidation Disorders : Review & Update – **Ingrid Tein**
- Lecture 10 17.00-17.30 Cannabidiol in epilepsy : Review and Update – **Karen Skjei**
- 17.30 -18.30 **Pediatric Neurology Quiz - Dr K P Vinayan**
- 18.30 -19.00 **INAUGURATION**
- 19.00 -21.00 **BANQUET**

PROGRAM

DAY 2 - 4TH MARCH, 2018

SESSION 5 - MIXED BAG

- Lecture 9 8-8.45 Metabolic Epilepsies – **Linda De Meirleir**
Lecture 10 8.45-9.30 Movement disorders in children
Vrajesh Udani
Lecture 11 9.45 -10.30 Approach to the Metabolic Myopathies
Ingrid Tein

10.30-10.45 Coffee

SESSION 6 - PHARMACORESISTANT EPILEPSY

- Lecture 12 10.45-11.30 Epileptic encephalopathies in infancy
Helen Cross
Lecture 13 11.30-12.15 Strategies for surgical management of epilepsy – **Mathew Abraham**
Lecture 14 12.15-13.00 Dietary therapies for epilepsy
Helen Cross

13.00 -14.00 Lunch

SESSION 7 - MANAGEMENT UPDATE

- Lecture 15 14.00-14.45 Autism Spectrum Disorder : Early diagnosis and intervention - **Pratibha Singhi**
Lecture 16 14.45-15.30 Recent advances in the management of mitochondrial disorders - **Ingrid Tien**
15.30-15.45 Coffee break

SESSION 8 - NEUROREHABILITATION

- Lecture 17 15.45-16.30 Neurorehabilitation following acquired brain injury – **Biju Hameed**
Lecture 18 16.30-17.15 Standard of care for DMD and SMA
Jo Wilmshurst
Lecture 19 17.15-18.00 Concussion in children and Adolescents
Biju Hameed

20.00 FACULTY DINNER

DAY 3 - 5TH MARCH, 2018

- 9.00 -13.00 Grand Rounds /Case Discussions
Venue : SAT Hospital, Medical College, Tvm
